

2012 JTAA Holiday Parade Information

December 5, 2012

The Spirit of Jupiter will be marching in the 36th annual JTAA Holiday Parade THIS Sunday, December 9th.

Attached is a map of the parade staging area, the parade route, and Subway coupons for parade participants. The Spirit of Jupiter is in position #22 in the parade.

Here is the schedule:

11:30am -- Battery and Tubas meet at JHS to get instruments.

12:15pm -- CALL TIME. Students are to meet at parade staging area.

1:00pm -- Parade begins.

2:15pm -- Band reaches the parade end (approximate time). Battery and Tubas travel back to back room to drop off equipment. Everyone else is dismissed.

Students must provide their own transportation to the parade start and from the parade finish.

What to Wear:

Color Guard should wear their show uniforms (not jeans and show shirt). Guard members should also have their pom poms for the parade.

Everyone else should wear full marching uniform minus shakos. Holiday hats can be worn instead of shakos.

Music:

The band will be playing the Fight Song, The Horse and music from the show.

Parade Start/Finish Locations:

The **parade staging area** is located by the Subway restaurant near the intersection of Banyan Street and Old Dixie Highway. Drop off students along Orange Avenue (south of Center Street) in the marked area between Center Street and Datura Street. Students will walk towards Old Dixie and find the band. (Jupiter Middle and Independence Middle bands meet in this same area.) You will not be allowed on Old Dixie Highway.

The **parade ends** at Bridge Road and Old Dixie Highway. Students will be dismissed from this location. There are businesses on the SE corner where you can park if you leave your car there early enough. There is usually parking near the CVS on Alternate A1A also.

Donations:

We would appreciate donations of hard candy to be distributed during the parade. Drop off candy in the band room this week.

Volunteers:

We do need volunteers/chaperones to walk with the students in the parade. **If you can help, please contact Stephanie Schulz at [561-346-0568](tel:561-346-0568) or sschulz@bellsouth.net.**
