

JHS Band Spring Mixed Bag Designs Fundraiser

Please direct all replies/questions about this fundraiser to Michelle Kellogg at seeshellkell@bellsouth.net.

Mixed Bag Designs catalogs are now available on the forbidden shelf! **The deadline for orders is Wednesday, April 24th.** Catalogs can be viewed online at the Mixed Bags Designs web site here: <http://fundraiser.mixedbagdesigns.com/Spring-Catalog>

Students will take orders and collect the money at the time of the order. Checks can be made out to "Jupiter High School Band." Orders can be turned into the band room fundraising box (outside the kitchen) marked Mixed Bag Designs.

VERY IMPORTANT: A 3% sales tax must be added to each sale due to a new law (see below). Please enter the 3% tax rate on the order form in the designated tax column so you are sure to collect that from your customers. We are charged this tax whether it is collected or not. So, if this tax is not collected, the percentage earnings towards the students' Fair Share is reduced.

AL, CA, CT, FL, IL, MD, NC, OH, SC, PA, TN and TX

If your organization resides in one of the states listed above you are required to pay sales tax on products purchased from Mixed Bag Designs for fundraising purposes. We will invoice you for the amount your state requires to be paid and remit that tax to the state.

Online ordering is available. Ordering instructions are below in the sample email. Please make sure your customers use the correct fundraiser ID and list your child's name in the "Referred by" field in order to get Fair Share credit! **Keep in mind that customers ordering online must pay tax, shipping and handling.** In addition, the net profit for online orders is less than ordering directly through you, so the earnings in your fundraising account will be less.

Feel free to use the sample email below to send to out of town friends and family.

Jupiter High School Band is happy to announce their Mixed Bag Designs Spring Fundraiser!

It's really easy to support us and anyone can do it - feel free to forward on this email to other friends and family - we need all the help we can get!

How To Order

- Go to [Mixed Bag Designs Website](#)
- Click on "ONLINE STORE" and browse products using the top and left menus
- Pay for your order online with a credit card - your order is shipped directly to you!
- At checkout on the **Review/Submit Order Page** type **42182** in the "School/Fundraiser ID#" field. You can also enter the name of the participant that referred you in the "Referred By" field for them to receive credit.

2309 N. Dixie Hwy. * PO Box 8335 * West Palm Beach, FL 33407 * (561) 832-3753 * www.musicmaninc.com

Dear parent:

I'm sure you must be very proud of your child and the musical abilities he/she has developed recently in the school band. One of the most exciting parts of this profession is watching musical abilities and appreciation develop, and knowing that you have played a role in the musical life of a young person.

According to the band director, your child has become a competent musician, and the director feels that your child is one of several students who would benefit from a more advanced instrument.

The difference a more advanced instrument makes to a student is substantial. Most students start music on a beginner instrument because beginner instruments are both easy to play and durable. With gradual progress, a student's musical abilities eventually surpass the abilities of the beginner instrument. A more advanced instrument allows the musician to create a fuller and prettier tone, to play more in tune, and to play faster and more demanding music—in short, to play up to the levels of his/her musical ability. (Your band director would be happy to discuss with you specifically what benefits your child will experience with the more advanced instrument.)

Music Man has a program by which you can get the high school recommended instrument on very affordable terms. If you like, you can trade the instrument you now have toward the new instrument; if you do trade-in your present instrument, no money would be needed to make the exchange, and payments would begin a month later.

I will be at **Jupiter Middle School on Wednesday, May 15, 2013 from 6PM to 8PM** to meet with parents of band students who would like to arrange for the better instruments. If you would like to arrange a specific time for us to meet, please feel free to contact us at 561-832-3753. I hope to see you then.

Musically yours,
Enrico Capo
