CURRENT DONORS CHOOSE PROJECT

The latest DonorsChoose project is a combination of needs:

- **Sound System for the Color Guard** to be used for rehearsals and during warm up at competitions
- **Custom Music Folders** with pencil holder to be used for performances to elevate their appearance as a professional ensemble
- **Digital Sound Recorder** to be used in class and during rehearsals so the band can be recorded and receive immediate feedback so students can hear what they are doing incorrectly and how they can improve

To donate now, visit http://www.donorschoose.org/warriorband and make your donation. We have about **$970** left to raise.

Please forward this information to anyone you know who would like to help out the JHS Band!

BAND NEEDS: MOVING TRAILER & CAB DRIVER

The band would like to purchase a **53' moving trailer** and have it on site BEFORE October 11. ***Does anyone have a lead we can pursue to make this purchase?***

We plan to rent a cab to transport the trailer to competitions and events. ***Does anyone know of a that we could rent/borrow to help us save money?***

We will need a DRIVER for the trailer too! ***Do you know of anyone - yourself, friends or family members - who has a CDL license and would be willing to drive the trailer to/from competitions?***

If you can help with ANY of these needs, please contact Mr. Larkin ASAP at michael.larkin@palmbeachschools.org.

JHS DONATION OPPORTUNITY: TRACK FIELD & BAND TRAILER

Thanks to the efforts of many local businesses, families, alumni, parents and friends, along with the Town of Jupiter, they synthetic turf field is under construction and will soon be ready for play.

The school has created a five-year athletic facility plan, which would result in additional public access to our facilities during non-school hours.

Immediate focus is on Track and Band!

The school would like to replace the track with a polyurethane surface (at a cost of $190,000) as part of the field project, if funds can be raised during the month of September. This new track would have a life of 10-12 years and would be opened to the public two mornings a week before school and on Sunday mornings. It would also give the school the opportunity to host county, state and regional track meets. Naming rights for the track are available for $75,000, and other major contributors ($10,000 and above) will be recognized.

The school is also raising money for the band towards our goal to purchase a custom-painted 53' trailer! This will help us keep our competition costs down, greatly improve logistics at performances, and provide much needed additional storage for the band.

Band Trailer sponsorship levels are as follows:

$10,000 - Very Large Logo and branding on the truck for Five Years - sides and back

$5,000 - Large Logo on truck for 5 years - sides and back

$3,000 - Medium Sized logo on back for 3 years

$2,000 - Small logos on back for 3 years

$1,000 - Smaller logos on back for 1 year

As with contributors to the turf field project, **ALL CONTRIBUTORS will be listed on the Master Donor Board inside the stadium**, including graduation years and activities for JHS students and alumni. This is a GREAT way to honor your current or former student! Consider making a donation as an early holiday gift!

To make a donation, mail a check payable to "Jupiter High School - Track and Band Improvement Fund" and send it to:

Jupiter High School Athletic Boosters
500 North Military Trail
Jupiter, FL 33458

Any and all amounts are appreciated. If you know of any major sponsors, please contact JHS Booster Club President Ernie Cox at 561-762-2282 or ernie@familylandsremembered.biz.
