Committee Reports

Treasurer's Report

Terri Saunders

Distributed the Treasurer's Report as of March 23, 2011.

Still have considerable outstanding fair share. Please remember that fair share can be paid by credit card. Just let Terri know if you are interested.

Income from fundraising:

JJ Muggs Pasta Dinner netted \$396.00, which went towards fair share. Candy Sales for the Winter Ensembles are ongoing and to-date have raised over \$1,200 in fair share money. Ticket sales for the Spring Concert totaled \$1,470 and we made \$262 from bake sale proceeds. Current fundraisers include Domino's Pizza coupons and continued candy sales.

Fundraising

Bonnie Welsh is organizing a yard sale to be held at JHS. Date TBD. Either buy a table, or donate items for the general band fund. More information to follow!

Jody Waters researched doing a band March-A-Thon. Popular fundraiser for many bands. To be announced during June band camp and will take place during August band camp. Concept – students to get sponsors for number of steps marched during band camp, or have a sponsor pledge a set amount (\$25, \$50, etc.). Would be fun to have a theme – “Steps to FMBC”. Also could make competitive, have sections compete against each other for amount of money raised.

Mr. Larkin's Comments

Winter Guard and Winter Percussion doing great! Competition at Santaluces next weekend. Championships coming up.

Time to get Middle School students excited about band at JHS. Mr. Larkin currently visiting middle schools. Suggestion that we need to include St. Marks, All Saints and Jupiter Academy. We will begin using the Charms Office Assistant April 1 to help streamline and organize band information and administration.

Band DVD in production and will be premiered at our Band Banquet, and will also be for sale at the banquet. Looks great and will be a great marketing tool for JHS band!

Booster Handbook and Committee Organization

Diane Fitzpatrick is in the process of putting together a Band Booster Handbook, with position descriptions. New/additional committees to be created to assist with distributing the volunteer

“work load.” Also discussed rewarding volunteer hours with free admission to JHS band concerts, to encourage parents to volunteer.
