Spirit Fair Share Agreement

JHS Band Apparel Order Form

We had a great first day of band camp! THANK YOU to our volunteers! All volunteer slots are filled, but we hope to have a July camp sign up available by the end of the week.

BREAKFAST/LUNCH/DINNER

Please make sure your child has eaten prior to attending camp.

Please send a HEALTHY DINNER with your student! We had a few kids who did not bring a dinner or who had fast food (Burger King, McDonald's, etc.) dropped off. They need to eat during camp, and unhealthy food will not settle well during strenuous camp days.

APPROPRIATE ATTIRE

Please make sure your student is properly dressed for camp. Many new students do not have a white shirt and/or green/black shorts, but they should be dressed comfortably in athletic wear (NO JEANS) and athletic sneakers with good support.

DONATIONS NEEDED

We need the following items this week:

COPY PAPER - This is BIG NEED

Watermelon (for dinner)

Hand sanitizer (LARGE)

Clorox/Lysol disinfecting wipes

Please drop off any donations in the band kitchen!

SPIRIT FAIR SHARE AGREEMENT

There is some confusion regarding the Fair Share Agreement. This form was NOT available in the packet distributed at the May 6 band parent meeting. If you filled out the entire packet of forms, you did NOT complete this form. It was available for the first time last week and was emailed to everyone.

The form is attached for your convenience, and there are a few copies on the piano in the band room. **Please turn in the Fair Share Agreement by Wednesday morning.**

APPAREL ORDER FORMS

EVERYONE needs to turn in a Band Apparel Order Form, whether you are ordering additional items or not. EVERYONE receives 2 practice shirts and 1 pair of practice shorts that will be worn as a uniform at some point during the season. We MUST have this form so we know what sizes to order for your student.

The form is attached for your convenience, and there are a few copies on the piano in the band room. **Please turn in this form by Tuesday at 5:00 PM so we can place the order this week.**

JUPITER FESTIVAL OF BANDS PLANNING MEETING

Our first planning meeting for the Jupiter Festival of Bands will be held this Wednesday, June 10 at 7:00 PM at JHS - exact location TBD. This event requires a LOT of volunteers - please come find out how you can help!
