

Subject: JHS Band: Winter Fundraiser Help Needed

We would like to offer some band fundraisers this winter to help reduce the out of pocket costs for students with outstanding balances and/or students participating in winter groups. But we cannot offer the fundraisers without having volunteers to RUN them, so WE NEED YOUR HELP!

The fundraisers will be open to ALL band students, so you do NOT need to be the parent of someone in a winter group to help!

We are looking for chairs or co-chairs for the following fundraisers. (See the links for more information about the fundraising products.)

**Mixed Bag Designs** - We have already been approved to run this again February 1-12. We need someone to work with the company to get the catalogs, collect orders and payment from students, place the order (online), and distribute the orders to students when it arrives.

**Tritan Tumblers** - We would like to do this fundraiser in late February or early March. Cynthia Carrino, one of our Winter Percussion Parent Liaisons, is meeting with the fundraising representative next Monday or Tuesday to get more information about this fundraiser. If you can join her in the afternoon or early evening on one of these days, please **contact Cynthia directly at [cacarrino@yahoo.com](mailto:cacarrino@yahoo.com)**.

**Tranquility Cove Bed Sheets** - We would like to do this fundraiser in late February or early March, not at the same time as the tumblers. We think we can market these to seniors staying in college dorms, as they offer all sheet sizes, including Twin XL.

If you've been thinking about getting more involved in the band program, THIS is your opportunity! We especially need parents of students who are NOT seniors to get more involved! Talk to a friend and co-chair the fundraiser together!

All of these are traditional catalog fundraisers and should be easy to run.
