We need help with serving water for the kids and MANY positions in Concessions.

ALL are welcome to volunteer! You do NOT need to have a student in marching band to help!

We also need donations of the following to maximize our profit. (Please drop off Thursday night during marching band rehearsal from 4:45 pm to 9:15 pm.)

- **Gatorade** - **SMALL** (12 oz.) single serving bottles
- **Plain Hamburger and/or Hot Dog Buns**
- **Name Brand SOUR Candy** (1.8-2 oz per bar)
- **Coca-Cola or Sprite** (12 oz cans) - **MUST BE BRAND NAME**

Remember that Football Game Concessions is a FUNDRAISER for the JHS Band. We have a few rules that must be followed to maximize our profit AND to ensure that the band continues to have this fundraiser.

DO NOT GIVE AWAY any food or beverages. All food and drinks MUST be purchased, even for volunteers. (We have Town of Jupiter bottled water only for volunteers.) This is a FUNDRAISER for the band and any food that is given away takes money away from the kids.

Football games are a school activity, and our volunteers represent the band to the public attending the game. It should not have to be said, but DO NOT volunteer if you are under the influence.

Stop grilling at midway through the 3rd quarter (and grill very little after halftime) to minimize waste. Volunteers can start cleaning up at this time.

Purchase and sell ONE order of pizzas. If we run out of pizza, people have other food options.

PLEASE SIGN UP using SignUpGenius so we are sure to have enough volunteers.

Be on time for your shift. If you signed up but cannot work your shift, please remove your name from the SignUpGenius AND contact the organizer so we know to replace you.

Be courteous to customers.

If you cannot abide by these rules, you will be asked to leave Concessions.

It should be a fun night!
