We are looking for someone to assist with this fundraiser!

Last Friday, the "cheesecake man" presented information to students on how to raise money for the band program (towards their Fair Share or Fundraising Commitment) by selling cheesecakes.

Students should have brought home a catalog last Friday. Additional catalogs are available on the "forbidden shelf" in the band room. (This is the music folder shelf immediately to the left of the band entry doors in the band room.) You can also see the catalog online by visiting [this link](#). No online ordering is available.

This is a traditional catalog fundraiser, and students should take orders and collect payment at the time of the order. **Checks should be made out to "Jupiter High School Band."**

WE STRONGLY RECOMMEND CHECKS AS PAYMENT. Checks should be payable to "JHS Band." If you receive cash from customers, we would prefer that you keep the cash and write a personal check or get a money order to turn in to the band. JHS Band is not responsible for cash left in the band room or the collection boxes.

Please turn in orders WITH PAYMENT ATTACHED to the band room fundraising box marked "Cheesecakes" (next to the band kitchen). MAKE SURE the student's name is on the order form. It also helps if the student's name is on all checks.

Cheesecake orders are due Tuesday, September 13.

Order pick up will be in October. Watch your email for the exact date. **ALL ORDERS** must be picked up **ON** the announced delivery date. We do not have the freezer space to store extra items.
