

CHRISTMAS TREE SALES BEGIN !

Christmas trees and other Balsam Fir products are now on sale!! For many years, the Jupiter High School Band has been *the* place to go for beautiful live Christmas trees, wreaths, garland roping and centerpieces. Let your friends and neighbors know early they can order a live Christmas tree straight from Nova Scotia through you. **THIS IS OUR BIGGEST FUNDRAISER OF THE YEAR!**

A flyer and order form is attached. These are also available on our website on the [Forms page \(under Fundraising\)](#) and will be available after school today in the band room on the forbidden shelf. **Please take ONLY ONE color flyer but as many order forms as you like!**

We offer a wonderful selection of 3' to 12' trees, decorated 20" wreaths and 15" centerpieces, plain 26" wreaths, and 15' garland roping. Wreaths and centerpieces can be purchased for delivery to anywhere in the continental U.S. or Canada. Door hangars are also available for the wreaths. Profit from this fundraiser is approximately 50%, depending on the item sold.

Proceeds go to band members' fundraising accounts. BE SURE to put your student's name on the order form as the Seller's Name to receive credit! New students/parents can contact fundraising chair Tammy Mager for sales contacts from last year's seniors.

Order forms are due Monday, November 7. Collect payment at the time of the order.

Please turn in orders as you receive them! There is a marked collection box in the band room for your orders. Unlike other fundraisers, you do not need to submit all orders at once. In fact, we prefer that you don't!! Turning in orders as you receive them lightens our paperwork in November!

Customers are to pick up their items on Saturday, December 3 between 9am and 1pm at the Daniel's Way parking lot.

For more information, contact Tammy Mager at magersfive@yahoo.com or (561) 319-1717 or Audrey Albright at audrey.albright@yahoo.com or 561-972-1800.
