Concert Program Advertisement & Dedications EXTENDED TO SATURDAY 12/3

We currently do not have enough advertisements and dedications to underwrite the cost to print our concert programs this year so we are extending the deadline for advertisements and dedications to Saturday, December 3 at noon!

We are especially looking for those dedications to students! While you are spending time with friends and family over the weekend, consider selling (or purchasing) a dedication to encourage your student and help with the costs of the concert programs.

We have a formal program that is distributed to all concertgoers to our December, March and May concerts. Profit from concert program advertising is approximately 50%.

Sell advertising for our concert programs to local businesses. Ask out of town family and friends to write a dedication to your student that will appear in our concert program!

The [Concert Program Advertising Form](#) and the [Concert Program Dedications Form](#) are attached and are available on the band web site on the [Forms page](#). Please ignore the deadline dates on the forms. The new deadline is December 3 at noon.

PLEASE be sure to follow the instructions listed on the forms. The form, payment and advertisement must be submitted together. Put your submissions in the **Fair Share** box in the band room.

PLEASE turn in forms as soon as you get them so we can continue work on the program.

For more information about Concert Program Advertising, contact Debbie Wiley at wileydebbie@bellsouth.net.
