

Subject: Christmas Tree Pick Up This Saturday 12/3

CHRISTMAS TREE PICK UP: THIS SATURDAY 12/3 from 9 AM to 1 PM

Remember to pick up your Christmas items this Saturday between 9:00 AM and 1:00 PM! Phone calls should be going out to all customers, but it's not a bad idea to remind your customers yourself. The earlier customers arrive, the better selection they will have.

VOLUNTEERS ARE NEEDED!

Adults AND students are needed to trim tree trunks, distribute items and load items into cars.

Adults should sign up using this link: www.signupgenius.com/go/4090B4FAAAE23A6F94-christmas. We are ESPECIALLY looking for **dads with chainsaws** to trim trees!

We need MANY students on Friday and Saturday - you WILL earn community service hours!

STUDENTS: You will be helping unload trees off of the truck on Friday when they arrive. **You might want to bring a change of clothes and/or gloves so you don't get your "good" clothes dirty and sticky with sap.** Our students also load trees into vehicles on Saturday, so "work" clothes and gloves should be worn on Saturday too. Long-sleeved shirts are great - less sap to remove from skin!

BAKE SALE

We will be selling baked goods, coffee, tea and hot cocoa on Saturday. Donations of the following are requested:

- Coffee
- Milk
- Cream
- Tea
- Hot Cocoa
- Baked Goods

Please contact Debra Wasserman at drewzmom13@att.net if can help. You can also sign up to bring something at www.signupgenius.com/go/4090b4faaae23a6f94-christmas.

Donations of dry goods can be brought in during the week and put in the kitchen. Baked goods should be dropped off first thing Saturday morning.

TOY DRIVE

At tree pick up on Saturday, we are collecting NEW, unwrapped toys to be donated at the JTAA Holiday Parade to the U.S. Marines TOYS FOR TOTS program.

Please consider dropping off a toy on Saturday, and let your customers know about this too!
