

Subject: FMBC DVD Sales Open NOW

You can take advantage of Alliance Media's Online **Pre-Sale DVD Discount** by visiting [this page on their web site](#). Semi-finals DVDs are available now for \$42 each (instead of \$45 on show day and \$49 post show), and Finals DVDs are available now for \$48 each (instead of \$53 on show day and \$63 post show). Jupiter HS Band is on Disk 7 for Semi-Finals. Class 4A Finals are Disk 11. Additional DVD packages with wide camera angles are also available. **This pre-sale ends Thursday, November 10 at midnight.**

Semi-finals and Finals combination packages are typically offered at a discount at the Dome.

This year Alliance Media is giving away a 16GB iPad Air with a WiFi and cellular package to the band with the most sales! (Sales are fairly weighted by band size.) Jupiter has won this Band Video Challenge TWICE! To help us win, **WRITE JUPITER HIGH SCHOOL BAND** in the notes section of the form when placing ANY DVD order so our band is credited with the sale. DVD orders can be placed online before or after the show or at Tropicana Field.

But that's not all! Share the Alliance Media link above on social media (Instagram or Facebook) and receive a FREE HD download! Send a screen shot of your post to sales@alliancemedial.com to redeem.

Remember you can also watch the live feed of all events at Tropicana Field on Saturday by signing up at this link: <http://box5tv.com/signup/iNAVBE9v>
