## *About the Workshop:*

Students learn how to get the most out of your rehearsals and learn how to execute a pitch-perfect performance as they hone their sight-reading skills under the guidance of an experienced Disney Teaching Artist. This 2 1/2-hour workshop is designed for middle, junior high and high school bands and orchestras.

Your group will examine the skills, attitudes and priorities essential to musical excellence and culminate with a very special finale: a recording of your ensemble performing Disney music accompanied by footage from a classic Disney animated film!
