

senior activities, such as attending Grad Bash and graduation. Students with outstanding band fees are not permitted to attend the band banquet or receive band awards.

**Earn a Fair Share Credit of up to \$100** when parents/guardians volunteer at JHS Band activities. Volunteering for **30** hours earns a \$50 credit; volunteering for **60** hours earns a \$100 credit. Credits will be issued to the student's Fair Share fee balance upon completion of increments of 30 volunteer hours. Partial credit is not available. If a family has more than one student in band, then additional 30-hour increments per student are necessary to earn the credits on the other student(s)' account(s). Multiple parents/guardians can volunteer for one student, thus pooling their hours towards the credits.

The school's volunteer system will NOT be used to track the volunteer hours to be used toward the Fair Share credit. **It is the responsibility of the volunteer to sign in/out with event coordinators at band activities so earned hours are accurately credited.**

If you have questions or concerns regarding the payment of band fees or the Spirit of Jupiter budget, please contact Mr. Gekoskie by email at [Andrew.Gekoskie@palmbeachschools.org](mailto:Andrew.Gekoskie@palmbeachschools.org).
