

Subject: Roger Dean Concessions TRAINING and Games Available

If you missed training earlier this year for Roger Dean Concessions, **you CAN still sign up to work games this summer!** Roger Dean will train new workers the day of your first game BEFORE your shift starts. Workers MUST be 16 years old by the day of the game they work.

Workers make a flat rate of \$75 per game OR a share of 12% of the stand profits, whichever is greater. This money goes directly into your student's fundraising account!

Space is LIMITED! Sign up to work a game here:
