Dear Friends,

I want to tell you about an exciting opportunity for YOUR high school student!

**On Monday, July 10 at 3 PM, professional speaker and author Fran Kick will give a Leadership Seminar in the Jupiter High School Auditorium.** This is a GREAT OPPORTUNITY for students who are leaders or who want to be!

Students of all ages love Fran Kick's interactive approach and humorous delivery. If they're not on the edge of their seats, it's only because they're OUT of their seats. They're up, they're engaged, and most importantly, they're actively involved in making things happen.

Fran Kick's speaking style is fast-paced, informative, educational and entertaining, all at the same time. This leadership presentation inspires students to motivate themselves so they can KICK IT IN and TAKE THE LEAD!

Presentation topics include:

- Paying attention and responding appropriately
- The more you put into it, the more you get out of it
- What you put into it, is what you get out of it
- If you're whining, griping and complaining, having a terrible time - maybe that's why!
- Positive attitude vs. negative attitude - you ultimately make the difference
- Getting involved and cooperatively contributing

- The discipline of focus and the power of attention
- Positively reinforcing yourself and others to make positive choices
- Leading by example - because you can't lead others until you lead yourself

***"Mr. Kick doesn't simply tell people 'you can do it,'  
he GOES BEYOND the ordinary speaker and spells out 'how to do it.'"***
