

Subject: Band Work Day: Thursday, June 22

Join us on Thursday, June 22, from 11 am to 3 pm for our second band work day!

Come and help finish projects that we started last week! There is still a lot to be done, including cleaning the moon tarp! All are strongly encouraged to stop by and bring cleaning equipment (brooms, mops, dustpans, etc.)!

Community service hours will be awarded for student time. Adults will earn hours toward the Volunteer Credit (be sure to sign in/out).

Members of leadership are expected to attend and those interested in being on the leadership team in the future are strongly encouraged to come by!

Thanks for your help in keeping our band room, instruments, and equipment in top shape.

NOTE: In addition you can stop by to rent a locker, rent an instrument, drop off DCI donations, or start a project if you missed the last work day!

Read this email for the DCI donation list:
