## BAND CAMP DONATIONS

Thank you for the fruit donations! The kids ate it all today and we need more tomorrow! We can use the following:

- **Fresh fruit:** strawberries, whole watermelon, grapes (fresh or frozen), bananas, oranges, and apples.
- **Gatorade:** SMALL 12 oz single serving bottles
- **INDIVIDUALLY WRAPPED store bought snacks:** Individually packaged Goldfish crackers, granola bars, fruit bars, peanut butter or cheese crackers, and trail mix

## NEW WEB PAGE: HOW TO HELP

We often receive emails about what other types of donations are needed by the band. Check out this new web page for the answers: <http://jupiterbands.com/how-to-help/>

We have items that we are constantly replenishing and others that are special requests. Emails will also be sent out, but you can reference this page at any time.

## INSTRUMENTALIST UNIFORMS

We will continue to fit instrumentalists with uniforms tomorrow and Wednesday. Please bring compression shorts or snug fitting knit shorts to wear underneath the bibbers if possible.

## COUPON BOOK FUNDRAISER

The Save Around coupon book fundraiser has begun! [Read this email for more details!](#) An order form is available [HERE](#) on our website.

## VOLUNTEERS

THANK YOU to the parents who signed up to volunteer at this week's band camp! We could use another volunteer for the afternoon shifts on Thursday (12:30 - 5:00) and Friday (12:30 - 4:30), but we are in MUCH BETTER SHAPE now!

After school and weekend marching band rehearsals start next week! A SignUpGenius for those will be available soon! Watch your email!

MOST volunteer opportunities are also posted on this page on our website for easy reference: <http://jupiterbands.com/home/for-parents/volunteering/>
