

Spirit Garment Bags & INSTRUMENTALIST Gloves

The form to order garment bags and instrumentalist gloves is available online [HERE](#).

GARMENT BAGS: JHS Band garment bags are used to store and transport marching band uniforms. These are a required part of the uniform **for all band members**.

All NEW marching band members receive one garment bag INCLUDED in their Fair Share.

All RETURNING marching band members should have received a garment bag in a previous year. If you do not have one in good condition, you will need to purchase one. Please indicate your need for a bag on the online or paper version of the form.

INSTRUMENTALIST GLOVES: **All HORN LINE MEMBERS** (*NOT Color Guard, Battery or Front Ensemble/Pit*) will wear GLOVES as part of the marching band uniform. **Gloves MUST be purchased through the band** so everyone has the same gloves. These ARE the same gloves last worn by the band - long wristed black gloves (fingerless gloves for Woodwinds).

We HIGHLY recommend purchasing at least two pairs of gloves - one to wear and a spare for loss/damage. Three is even better!

Please indicate how many gloves you plan to purchase on the online or paper version of the form.

Please COMPLETE the attached form by Saturday, August 26 at 9pm. (The form is also available online [HERE](#).) Payment can be submitted with the form or upon receipt of garment bag or gloves. **See the form for sizing instructions.**

This form can also be completed online [HERE](#).

Thank you for your attention!
