

JUPITER HIGH SCHOOL BAND TIME & TALENT FORM

Volunteering is so rewarding! The time and talents of our band family are essential to the success of the Jupiter High School Band Program. You are part of that family now. Let the director and Board know about your talents, expertise, hobbies so that you might contribute in a way that will help engage you in the Warrior Band program.

When the band needs help, the database generated by this form will be an amazing resource for our band program. Information contributed by you by this form will only be accessible by the Jupiter High School Band Director, the JHS Band Parent Organization Board, and select volunteers.

You can't have a great band program without a lot of parent involvement. Our goals are to have 100% involvement from our families and to help families understand the crucial importance of their role in the Jupiter High School Band program. **We cannot fall into the common statistic of 20% doing 80% of the work.** Many hands make light work and make the work WAY more fun!

Volunteering with the JHS Band doesn't always require a huge time commitment. If you can give an hour to serve refreshments during band camp, that is wonderful! Want to chair a committee – that's even better!!
