PARENTS - please review the following behavior expectations with your students.

During the game, students should adhere to these rules as stated in the Band Handbook:

When the band is seated in the stands, only JHS band members are to sit in the band section. Exceptions will include chaperones and persons cleared by band staff.

All band members are to enter and exit the stands in an orderly manner.

The band will sit by sections and **students must remain in their sections**. No moving around is necessary after we are seated. Our job is to be ready to play when needed to do so.

Always be aware of the director and drum majors since they are the ones who will give instructions about when and what to play in the stands.

Students are not to play on their own in the stands. When the band is playing ALL members will play their part.

All students will have their lyre, flip folder, and stand music at every game.

No band member may leave the band section during a game or end zone during meet-and-greet without permission of the band staff.

No eating or drinking in uniform except water.
