- 2) Big opportunity to make high profit to come back next year and man a booth approx.. \$15-20K.
- 3) High Volunteer turnout = success

- Need Volunteer coordinator for events (current chair is a Senior mom)

Constructive Criticism:

- Band concert – Mr. G says it's a long concert, maybe to shorten future concerts, Susan added the door watches was much better. We all liked the ensemble with the students in the audience and the Jazz Band looking for ways to minimize the exchange time, to add a Senior Slide Show (?). 38 seniors next year.
- Band Banquet: look for another location, due to the incident with the wait staff. Table top "Red Tree" were awesome.

Other Items brought up:

- Guy- "Blomp" _TB discussed further (Fundraiser)
- Amy Schatz- Winter Percussion? Per Mr. G. will be a year of rebuilding.
- Suggested by Amy and Andrea and everyone agreed: One sheet with a list of all fundraising events, dates and benefits i.e.; Fair Share and/or General Band fund. This gives everyone a year ahead of Fundraising to plan ahead. Debbie Willey will create and post.
- New Parent Liaison- Suggested by Andrea and Amy- was well received- this position would orient the new parents and make them welcome to the group and overall activities and functions of the organization.

Meeting adjourned at 8:00PM – TC
