

Update on Roger Dean Concessions Training!

From one of our parents who has undergone the Roger Dean Concessions training:

There have been almost \$300K in upgrades since last year, including updates to the POS (point of sale) registers and a lot of the equipment in the stands.

- An air curtain (instead of screens) will blow down on the windows/registers to keep bugs out, which in turn will offer cool air for those operating registers.
- The new registers are all digital (touch screen) and inventory is now put into the registers and kept track of there. It should be much easier to close out at the end of the night.
- There are new (very nice) refrigerators and freezers, new grills, new fryers, and even the exhaust hoods have been taken care of!
- Stand 5 (one of our usual stands) has received special attention!

Students under 18 are not allowed to operate registers because alcohol is sold, so only parents will be allowed to do the registers. **This means we DO need adult volunteers!**

There are THREE training sessions left! Sign up at <http://www.signupgenius.com/go/4090c4da9ac2fabf85-roger>. Remember you MUST be trained to work a game!

Our profits for the week of Spring Training games are averaged into the same hourly wage for all who work the concessions. The more hours you work, the more money goes into your student's fundraising account! **Anyone 16 or older can work to support your student, as long as they have attended a training session.** The hourly wage varies every year based on sales, but the *expected* rate is a minimum of \$10 per hour - it has been as high as \$13-14 per hour!

Remaining training sessions:

Thursday, February 15: 5:30 pm

Friday, February 16: 5:30 pm

Saturday, February 17: 10:00 am

We will run TWO stands on these dates (shift times are 9:00-10:00 am to 6:00-7:00pm):

Monday, March 19 (Nationals at Marlins)

Tuesday, March 20 (Mets at Cardinals)

Wednesday, March 21 (Cardinals at Marlins)

Thursday, March 22 (Braves at Cardinals)

25-30 workers are needed EACH DAY. (We have only had 25 people total sign up for training!) Workers also receive a food allowance.

PLEASE consider signing up for training and signing up for games!
