Dear Prospective Sponsor:

The Jupiter High School Band program has a long standing tradition of high standards and excellence. The band program has consistently received high honors from the Florida Bandmasters Association at both the District and State levels. In November 2016, the marching band was named State Champion for the THIRD consecutive year, and in October 2017, the marching band placed 4th at its first national competition at Bands of America in Alabama. The winter guard placed 4th in the world in the Winter Guard International's World Championships in April 2015. The Warrior Band members are known as the "Musical Ambassadors" of the community of Jupiter. Thanks to sponsors like you, the band students of the Warrior Band program have been fortunate enough to perform throughout the United States, Bahamas, and Europe. The band also supports the community with performances in community parades, the Jupiter Jubilee, grand openings, and other special events.

The band program consists of The Spirit of Jupiter (otherwise known as the Marching Warriors), Winter Guard, Winter Percussion, Wind Symphony, Symphony Band, Concert Band, and Percussion Ensemble. Music Education enriches the lives of nearly 200 band students every year.

Much of our financial means in which we run our band program come from generous donations and sponsorships from people and businesses just like you. Each band student is responsible for raising his or her "fair share" of the budgeted expenses. Our goal is to become one of the most successful band programs in the country. We are asking for your help.
